

John Riegel Masonic Scholarship

\$300

It might have pleased the great Creator of heaven and earth, to have made man independent of all other beings; but as dependence is one of the strongest bonds of society, mankind were made dependent on one another for protection and security, as they thereby enjoy better opportunities for fulfilling the duties of reciprocal love and friendship. Thus was man formed for social and active life, the noblest part of the work of God; and we who will so demean himself as not to be endeavoring to add to the common stock of knowledge and understanding, may be deemed a useless member of society, and unworthy of protection.

Thus it is the Masonic question to seek such attributes in you in award of this scholarship.
