

## **Corning Rotary Club Scholarship**

The Corning Rotary Club will award at least seven scholarships of \$500 each to graduating seniors at Corning High School. Any student planning to enter a regular undergraduate, or vocational/technical program, is eligible to apply.

Letters of application must be personally written by the applicant and are due in the office of the Corning High School Guidance Counselor by April 28.

Applications should include a summary of the student's: qualifications for the scholarship, including grade point, ACT score, and class ranking  
interests, future plans, and long-term goals  
community and school activities

Selection of scholarship winners will be made by the Corning Rotary Club. The funds for Corning Rotary Scholarships are earned in the annual "Rotary Scholarship Barbecue" held the first Monday in May. Your support of that activity is appreciated.

A thank you note can be sent to:
