

Country Haven Scholarship

2 – \$250

Country haven will be awarding two scholarships of \$250 this years seniors. Preference will be given to students pursuing a career in health care with primary preferences going to students specializing in the fields of mental illness or mental retardation.

Applications should be in letter form explaining your plans and why you have chosen health care as your field of study.

Applications due in the Guidance Office on April 9th .

If you are a recipient of this award, Country Haven would like to hear from you at the end of your freshman year summarizing what you felt you have learned.

Thank you should be sent to:
