Subject: Allegations of Student Abuse

It is the policy of the Corning Community School District to respond promptly to allegations of abuse of students by school employees by investigating or arranging for a full investigation of any allegations, and to do so in a reasonably prudent manner. The processing of a complaint or allegation will be handled confidentially to the maximum extent possible.

The Corning Community School District has appointed level-one investigators in each building, and arranged with a trained, experienced professional to serve as the level-two investigator. The Elementary level-one investigator is Kathy Peterson. The Junior High and High School level-one investigator is Jennifer Reinhardt. All complaints must be submitted in writing to the level-one investigator. Any questions should be submitted to the building administrator.
